MASTERING THE ELEMENTS

COMFORT | SAFETY | INNOVATION

BOOTS & RANGER BOOTS FOR ALL TYPES OF INTERVENTIONS

MANUFACTURER OF PROFESSIONAL EQUIPMENT

**BOOTS & RANGER BOOTS
FOR ALL TYPES OF INTERVENTIONS**

Since 1960, we have imagined, designed and produced shoes made especially for professionals for all kinds of interventions and all types of grounds.

Our customers require high quality reliable shoes. Precision of movement is necessary to adapt to any situation. Our objective is to offer more safety and more comfort to our customers. We are always aiming for the highest standard and innovation to offer better working conditions for every mission.

INNOVATION PROFESSIONALISM

APPROVED AND RELIABLE

We design and produce footwear in response to our customers feedback. Our footwear is also field tested. This is to ensure that we can offer an approved and reliable model.

COMFORT PROTECTION SAFETY

Whatever the type of intervention (rescuing, fire or other operations), ease of movement should not be something to worry about.

Our top priority is to improve our products comfort, safety and lightweight.

RESEARCH AND DEVELOPMENT

ANALYSIS AND DESIGN

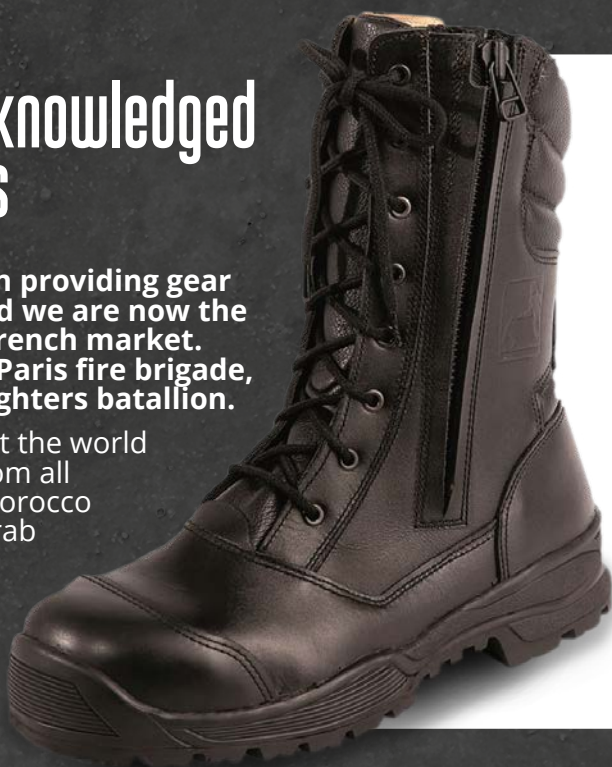

Our Research and Development department is always working hard at exploring new grounds at every step by offering solutions to improve and develop our products. With more than 15 new models every year, BOCHE is at the cutting edge of research, offering the best conditions for everyone's work mission.

An expertise acknowledged by professionals

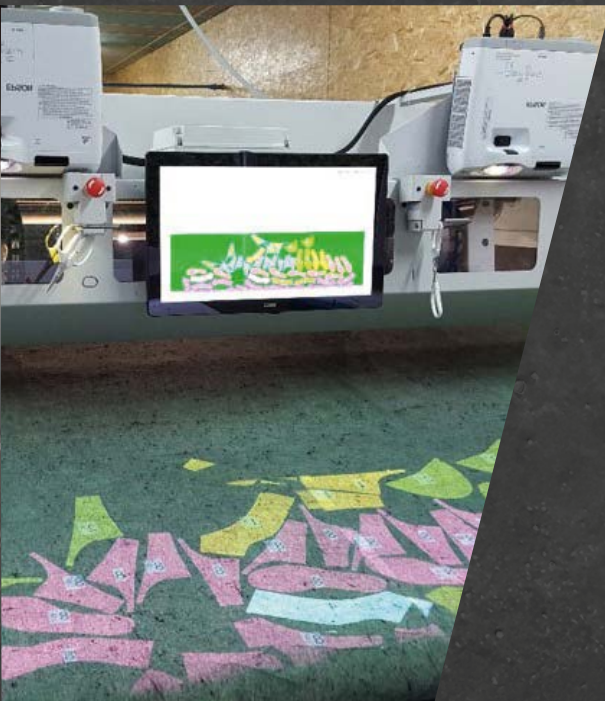

For 30 years, we have been providing gear for French firefighters, and we are now the leading company on the French market. Our iconic clients include Paris fire brigade, and Marseille's navy firefighters battalion.

BOCHE is known throughout the world and supplies fire fighters from all continents : ranging from Morocco to Brazil, from the United Arab Emirates to Taiwan.

Experts all use and recommend our products.

Double zip for the firefighter ranger boots

An expertise made in france

Our products are manufactured in our own factories. Each product requires more than 65 single manual operations. Our teams have a unique know-how, precision and knowledge which guarantee the highest quality and perfectly meet French and European standards.

OUR PRODUCTS

The best value for money

Our shoes are valued for their high quality, so we want to offer the best value for money on our whole range of manufactured footwear.

Thanks to our high-performance technology, our products are well-known for their outstanding features such as multiple-purpose use and great sturdiness. More than any shoes, BOCHE boots and ranger boots will take you anywhere.

2 years guarantee

We are offering a 2 year- guarantee on our entire firefighter range. Assured of our products reliability, we are proud to offer you full guarantee against any defect.

materials

All our products are made with leather, soles, lining and components chosen with utmost care and tested on a very regular basis. This has always been a guarantee of safety and quality to our customers.

Manufacture

BOCHE is an expert in several manufacturing processes such as welded construction, Goodyear welt, Norwegian assembly. We can offer you a wide range of products with different features.

BOCHE handmade products

Every model undergoes up to 65 manual operations. All finished products are controlled by our operators.

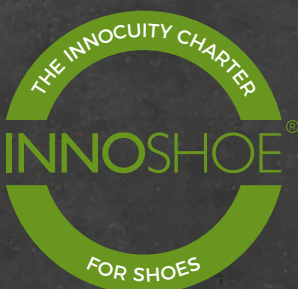

Innoshoe charter

The INNOSHOE label on your shoe certifies that manufacturing process complies with the strictest health and chemical safety regulations by means of thorough technical specifications for all materials used for the making of a shoe.

We are fully aware of the intricacy of Consumer Health & Safety Regulations. We are responsible for the safety of our products and are proud to meet this challenge. We have designed the INNOSHOE charter with our customers in mind. This charter sets standards and regulations and will help you buy our products with total confidence.

Our commitment :
Tested, approved, get walking.
